Teachers
Association of
Queensland

Saturday 27th March, 2021.

The STAQ executive are excited to announce,
Expression of Interest for Presenters for the 2021 Primary Science.

We want you to be involved and share your knowledge, expertise and experience with your colleagues at our 2021 virtual conference.

We want to provide our members and delegates with a wide range of presentations from many sectors and areas, some could include:

- Australian Curriculum:
- Primary expertise – early years, middle years, upper primary
- Differentiation in Science, including extension, support, students with disability, inclusion
- Science for Indigenous learners
- Science literacy, language and vocabulary
- Science leadership, coaching, mentoring
- Beginning and new to teaching experience with Science
- Technology and Science
- Putting the 'S' in STEM
- Science disposition, attitudes, anxiety – strategies that work to combat
- How to run a Science club
- The STAQ QSC - science investigation competition – how can I get started

You can see the list is endless! Please consider how you can contribute to our Science Teaching community. Presentations are usually approximately 45 minutes – 1 hour in length which would also include Q&A.

NOTE: This is just one of our Professional learning opportunities, check out our list for 2021:

- Middle years conference – TBC Presenters required.
- New, beginning and returning to Teaching night
12th March, 2021 @ University of Queensland, possibly virtual offerings Presenters required.
- Virtual after school sessions – 2 per term Speakers required.
- AGM (2021) and Senior STEM events
Late Nov or Early Dec, 2021 Presenters & Participants required.
