## Registration

Please visit the Professional Development page on the STAQ website <https://www.staq.qld.edu.au/pd-events/professional-development/> to register.

## Zoom

The 2021 Senior Chemistry Day will be livestreamed using Zoom.

Zoom links and more detailed joining instructions will be sent to you as event reminders via the email you provide upon registration.

Please note that EQ servers may block the use of Zoom. It is recommended for you to attend the 2021 Senior Chemistry Day from home or in a host non-EQ school.

Sessions are recorded and will be provided to registrants within a week of the conference.
